MANAGEMENT PLAN 2020-2025

The Surrey Hills AONB Management Plan is one of a national family of Plans. There are 34 Areas of Outstanding Natural Beauty (AONB) in England, covering 15% of the land area, and a further 4 in Wales and 8 in Northern Ireland. AONBs are designated by Government for the purpose of ensuring that the special qualities of our finest landscapes are conserved and enhanced.

The AONB Management Plan is the only document with a focus on the whole of the AONB and the only one that is primarily focused on the purpose of AONB designation, which is the conservation and enhancement of natural beauty.
