### What is a Greenway?

Greenways are a network of largely off-road routes connecting people to facilities and open spaces in and around towns, cities and the countryside.

The **Leith Hill Greenway** is a mostly traffic-free, fully accessible multi-user route which you can start and finish at any point where you see this directional sign. Please be aware there are two road crossings and that it is steep in parts as noted on the map.

The route is available for all to enjoy, please remember to 'Be nice - say Hi' and follow the Countryside Code.

Respect other people • Protect the natural environment • Enjoy the outdoors
