

Experience our Tour, Talk, Tasting

From the atmospheric Glass Barn, our new lodge, view the glorious Surrey Hills AONB, and the terroir of High Clandon's lovely vineyard with sweeping views to London's dramatic skyline.

The Glass Barn hosts sparkling wine tastings alongside Sculpture and Art exhibitions and is open by appointment.

The cost is £15 per person to include a 90 minute Tour, Talk, Tasting by the owners Bruce & Sibylla Tindale. £5 is refundable against purchase of £25 or more. Please Email finewine@highclandon.co.uk or telephone 01483 225660 to book your experience.

We are privileged to have been awarded the overall Trophy for IWC Cellar Door of the Year twice over and Gold Medals for our Visitor Experience by VisitEngland. Victoria Moore, wine correspondent for the Daily Telegraph, in an article* said "...High Clandon is exquisite...it's tiny..." and "We're looking across the Surrey Hills from what might be England's best vineyard you've never heard of."
