Report: Surrey Hills National Landscape Family Business Plan

Written by: Rob Fairbanks, Surrey Hills National Landscape Director

Purpose of Report

To present the Surrey Hills National Landscape Business Plan

Summary

The Business Plan sets out the role of the Surrey Hills National Landscape family in delivering the Targets and Strategic Priorities set out in the Management Plan. The Surrey Hills National Landscape Partnership Board provides strategic leadership, governance, and oversight for the delivery of the Business Plan.

The Business Plan identifies budget and resource allocation, responsibilities, partnerships and governance arrangements to deliver the priority Management Plan activities over the next 5 years.

This item will be presented as a Powerpoint to the Partnership Board at its meeting and posted on the website. It is a dynamic document that will focus the work of the Surrey Hills National Landscape team and family who work under the Surrey Hills brand and will be monitored by the Steering Group and reported to the Partnership Board.
